

FOR IMMEDIATE RELEASE

Ken Garen, Co-Founder and President of UBCC, Selected for Inclusion in the 2009 Edition of Marquis Who's Who in the World®

January 06, 2009 – Taos, New Mexico - Universal Business Computing Company (UBCC), the leading provider of high volume, high productivity software for accounting and payroll professionals, today announced that Ken Garen, co-founder and President of UBCC, has been selected for inclusion in the 2009 Edition of Marquis Who's Who in the World®.

Garen has been recognized as an innovator of payroll and accounting technology design and public accounting practice management, including environmentally respectful practices such as paperless direct delivery of eStubs™ to employees' inboxes and fully automated delivery of all "printed" reports via PDF files. Garen has also pioneered maximum payroll and accounting productivity by bringing heads down data entry into a true Windows™ (mouse driven) environment.

"It is a tremendous honor to be recognized in the 2009 Edition of Who's Who in the World®. I am truly and deeply appreciative," said Garen.

In addition to inclusion in the 2009 Edition of Marquis Who's Who in the World®, Garen is also recognized in the 2009 Edition of Marquis Who's Who in America®, Who's Who in the West®, and Who's Who in Science and Engineering® as a leader in the forefront of the scientific and technological revolution in software that has transformed business productivity. In addition to co-founding and leading Universal Business Computing Company as their President for more than 27 years, Garen has successfully led a highly profitable public accounting practice with over 300 clients, tripling its monthly client base in ten years by pioneering and utilizing cutting edge computer technology for small businesses that formed the basis for the initial UBCC technologies.

About Universal Business Computing Company (UBCC)

Founded in 1981, UBCC offers four different packages to professional accounting firms, payroll service bureaus and commercial businesses: Client Data Center, Payroll Service Bureau, PEO Enterprise, and Real-Time Accounting for Business.
