Ken Garen, Co-Founder and President of UBCC, Selected for Inclusion in the 2010 Edition of Marquis Who's Who in the World®

For the second consecutive year, Garen recognized for his dedication as a global leader

August 03, 2009 – Taos, New Mexico - Universal Business Computing Company (UBCC), the leading provider of high volume, high productivity software for accounting and payroll professionals, today announced that Ken Garen, Co-founder and President of UBCC, has for the second consecutive year, been selected for inclusion in the annual Edition of Marquis Who's Who in the World®.

“I am very honored to be recognized by Marquis Who's Who in the World® for two years in a row,” said Garen. Garen has been gaining national and international recognition for providing the accounting, finance, and business industries with technology that allows for extremely high levels of productivity while remaining uniquely flexible to meet divergent client needs and through its breakthrough platform-independent design. “I have led UBCC for more than 27 years with a passion to create the most productive professional tools that are also easy to use. I am very grateful that our client base has demonstrated their loyalty to UBCC for our software design, engineering, customer support and ongoing industry leading innovation,” continued Garen.

In addition to inclusion in the 2010 Edition of Marquis Who's Who in the World®, Garen has been recognized in the 2009 Edition of Marquis Who's Who in the World®, Who's Who in America®, Who's Who in Finance and Business, Who's Who in the West®, and Who's Who in Science and Engineering® as a leader in the forefront of the scientific and technological revolution in software that has transformed business productivity. Prior to co-founding UBCC Garen led a highly profitable public accounting practice with over 300 clients, tripling its monthly client base in ten years by pioneering and utilizing cutting edge computer technology for small businesses.
