

FOR IMMEDIATE RELEASE

Ken Garen, CPA, Co-Founder and President of UBCC featured in the Marquis Who's Who in the World® 2012 Edition

April 26, 2011 – Taos, New Mexico - Universal Business Computing Company (www.ubcc.com), the leading provider of high volume, high productivity software for accounting and payroll professionals, today announced that Ken Garen, CPA, Co-Founder and President of UBCC, will be featured in the Marquis Who's Who in the World® 2012 edition.

“It is a great honor to be included in this world renowned directory for the fourth year in a row”, said Ken Garen. UBCC, led by Garen since 1981, continues to excel in business software innovation and productivity with recent announcements including new bridging from UBCC General Ledger software to all major tax preparation programs including [Thomson Reuters](#), [UltraTax](#), [Drake](#), Lacerte, [CCH](#) and Intuit ProSeries. Additionally, to close out 2010, UBCC announced multiple enhancements including QuickBooks data import, Google Gmail integration, and laser macro generator as productivity features that allow UBCC clients to offer the most profitable and cost-effective Payroll and Write Up services.

In addition to this announcement, Garen has also recently been named an official member of the Bloggers Crew at AccountingWeb.com. “My Bloggers Crew blog, [TECHWISE](#), provides readers with my take on how technology trends (i.e. [Google](#), [Microsoft](#), [Apple](#), the FCC, [Verizon](#), the Internet, Web Apps, Web security, etc.) will impact payroll and accounting professionals and business owners,” commented Garen.

UBCC's software flexibility allows for operator customization, seamless import and export of data, and runs on over 600 platforms, including all current 32 and 64 bit Windows, Linux, and UNIX operating systems, and even IBM mainframes.
